ShipIT - the Atlassian Way of a Hackathon

A promotional banner for the ShipIT hackathon. At the top center is a yellow clock icon. Below it, the text "Go Vote!" is displayed in a large, white, sans-serif font. Underneath that is the URL "https://go.atlassian.com/vote" in a smaller white font. The bottom section of the banner features five circular icons, each with a different color (red, orange, purple, green, and blue) and a white sailboat silhouette. Each icon contains the text "ATLASSIAN SHIPIT" and "SHIPIT LIVE | SUMMIT 2011". Below each icon is the name of a project: "Confluence Trello Sync", "Missing Meetings", "Vela", "Page Tree Platinum for Confluence", and "Statuspage Connect".
